

Notes

It would be ideal to have your hair and saliva samples scanned again to check your progress in roughly 4 to 6 weeks.

Balancing Remedies

Up until this point, we've been analyzing the current state of energetic stressors. This section will identify remedies to bring these stresses back into balance. When scanning for balancing remedies, your samples were scanned against thousands of potential remedies including herbs, homeopathics, and nutritional supplements. We take scanning a step further by making sure the full combination of remedies synergistically test well against your hair and saliva.
